

THIS IS YOUR *neighborhood.* WHAT DO YOU SEE?

The west side of Greenville has been a part of many planning efforts. Now it is time to synthesize these efforts in a comprehensive plan for the area. We will be outlining strategies to address issues related to affordable housing options, transportation choices, parks and open space, and economic development.

Please join us in this weeklong design workshop!

PUBLIC PRESENTATIONS

Location: Kroc Center

Kickoff Presentation and Public Workshop

This event will showcase information gathered from previous neighborhood workshops and set the stage for the week. Please come to see what others have told us and add your own thoughts!

Public Planning and Design Workshop Week

The design team will work on-site creating the plan and invite the community to offer continual input and monitor the work-in-progress. Members of the community and all those interested in the future of the West Side are invited to stop by the design studio throughout the week.

Open Studio Hours:

Tuesday, August 27 - Friday, August 30

9:00 am - 6:30 pm

Closing Presentation

The design team will present a set of preliminary recommendations for guiding growth, development and redevelopment, focusing on parks and open space, economic development, housing, transportation and a plan for how it can be implemented.

Thursday, September 5

6:00 pm - 7:30 pm
