

# Transit-Oriented Development Workshop

As a part of the City of Greenville's Connections for Sustainability planning grant project, the City will be hosting a public workshop on Transit Oriented Development (TOD). TODs create linkages between economic opportunities and public transit. The workshop will provide the public with opportunities to learn about TODs as well as provide input on potential TODs in the City of Greenville, so please come out and be involved!

**Thursday, May 3, 6 to 7:30 p.m.**

**West Greenville Community Center | 8 Rochester Street**
